Installation

Simply drag **The Magician's Handbook: Cursed Valley** icon to any folder on your hard disk. Once it has finished copying, installation is complete. If you decide to remove it, simply drag the **The Magician's Handbook: Cursed Valley** icon to the Trash.

Registration

Upon completion of your purchase of **The Magician's Handbook: Cursed Valley**, you will receive a license name and license code. You will need to enter this information into the registration dialog, and then click “Enter License Information.” This game can be registered by clicking on the Buy Now button on the trial dialog, or by visiting the GameHouse web site at: http://www.gamehouse.com/

About GameHouse

GameHouse, Inc. develops many games for Macintosh, Windows, and other platforms. To view the full complement of games available and play free games online, visit: http://www.gamehouse.com/

Privacy Policy

After purchase, this game may occasionally communicate with GameHouse servers to verify the license is still valid. The license may be invalid if it is shared with third parties or if a refund is issued on the purchase. GameHouse does NOT record any information about your machine configuration, location or how much you are playing the game. Just the original license

information that was provided to you by GameHouse is returned to our servers for verification.

GameHouse does not share any of the information you provide during the purchase process with any third party. GameHouse may communicate with you after you place your order to offer discounts or information about new games, but you may elect to not receive these updates during the order process, or at any time afterwards.
